

Cypress College
Dual Enrollment

AUHSD Rising 9th Graders

What Is Dual Enrollment?

Dual Enrollment offers high school students the opportunity to enroll in college classes and earn college credit while in high school for FREE! Students can take both general and career technical education classes towards a college degree and/or certificate!

How Do I Start ?

Begin your Dual Enrollment journey with a college counseling course during your freshman year. Meet with your high school counselor during course selection to determine the best option to complete this course.

About COUN 140 C: Educational Planning

Become a successful college student by learning how college works, what student life is like, and create a plan of what college can do for you while still in high school!

What You'll Learn:

- Career and major exploration
- Success strategies
- Individual strengths and interests
- College culture and choices

What Can I Do After Taking COUN 140C?

Once you complete the COUN 140C requirement, you can take other Dual Enrollment courses that work towards a pathway.
