

**Anaheim High School**  
**School Accountability Report Card**  
**Reported Using Data from the 2019-2020 School Year**  
**Published During 2020-2021**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020-2021)

---

Anaheim High School's Vision:

We are a center of learning and service.

We are compassionate.

We nurture growth for all.

We provide diverse learning

opportunities and prepare students

to shape the future in an ever

changing world.

Educational Highlights:

In 2015, Anaheim High School received the Exemplary Program Award/Gold Ribbon for its Visual and Performing Arts (VAPA) Department, which features a performing arts conservatory program. Anaheim High School also received a Gold Ribbon designation for its Independent Learning Center (ILC). The first of its kind in Orange County, the ILC is staffed by four teachers and a counselor, who work with students with significant personal or academic challenges. Its track record is impressive. Since its first year of operation in 2010, hundreds of students who were at risk of dropping out, or had dropped out, earned their high school diplomas. The ILC recruits 150 students per year at different levels. Many students who graduate enroll in community college or vocational education programs.

In the fall of 2017, the Anaheim High School staff continued the process of re-examining the current School-wide Learning Outcomes in Western Association of States and Colleges (WASC) Focus on Learning (FOL) focus groups. In the fall of 2020, we are gathering information for our upcoming WASC review.

At Anaheim High School, we focus on developing the 5 Cs, listed below, which are soft skills that are transferrable and sought after in the workplace. When students leave Anaheim High School, they are ready for both college and career:

- Collaboration
- Creativity
- Character/Compassion
- Critical Thinking
- Communication

Anaheim High School students are becoming college ready, career ready and life ready. Anaheim offers a diversity of rigorous courses and pathways for students to succeed. There are many academic programs including AVID, Puente, and the Dual Language Academy to name just three. Anaheim High School offers numerous Advanced Placement courses, including AP Biology, AP Calculus AB, AP Computer Science Principles, AP English Language and Composition, AP English Literature and Composition, AP Environmental Science, AP Human Geography, AP Physics I, AP Physics II, AP Psychology, AP Spanish Language, AP Spanish Literature, AP Statistics, AP US Government, AP US History, and AP World History.

The College & Career Access Team (CCAT) at Anaheim High School is comprised of Anaheim High School Staff (Principal, Assistant Principals, Counselors, JROTC, Family Engagement Specialist, College & Career Secretary, Content Area Teachers, etc.), our College Partners (Gear Up, UCI EAOP, UCI Upward Bound, CSUF Educational Talent Search, Cypress College and Fullerton College), as well as our Community Partners (Marines, OCDE, ROP, etc.) Our goal is to increase post-secondary opportunities and outcomes for our Anaheim High School Students. Post secondary educational options include both 2-year and 4-year colleges and universities as well as progressive post secondary pathways. Enrollment, persistence, and success in post secondary education is on the forefront for our team. We connect and provide educational and career program opportunities to our students, paying close attention to our sub-groups to ensure college and career readiness for all of our students.

Anaheim offers a variety of Career and Technical Education (CTE) courses. The Anaheim Performing Arts Conservatory provides dance, theater and music courses that support the CTE Pathway. In addition, Anaheim High School offers ROP courses such as Building Industry Technical Academy (BITA), Dental, Preschool, Culinary, and Biotechnology. Each CTE pathway gives students the opportunity to prepare for graduation and beyond. Class sequence, elective offerings, college requirements, and certification opportunities are embedded in each CTE pathway.

#### Demographic Information:

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Credentials

Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: September 2020

All content subject areas utilize standards-aligned, State and District adopted textbooks and instructional materials. Teachers have input into the textbook selection process at the district-level through an established curriculum cycle. Teachers are given in-depth training on the instructional materials and the ancillary materials that accompany the basic textbook material. Ancillary materials support both the language needs and the learning needs of students.

This information was collected in September 2018.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
<b>Reading/Language Arts</b>	English language arts textbooks, Houghton Mifflin Harcourt-Collections, were adopted in 2014-15. There is one textbook available per student.	Yes	0
<b>Mathematics</b>	Mathematics textbooks, by Carnegie Learning, were adopted in 2018-19. Course appropriate, standards-aligned instructional materials have been selected for each mathematics course. There is one textbook available per student.	Yes	0
<b>Science</b>	Science textbooks, Pearson-Essentials of Anatomy and Physiology, and Pearson-Biology were adopted in 2006-07. Science textbooks that support Advanced Placement courses are adopted as needed, the most recent adoption occurring in 2018-19, Pearson-Campbell Biology in Focus, AP Edition. There is one textbook available per student.	Yes	0

## School Facility Conditions and Planned Improvements

Anaheim High School, established in 1898, is the oldest of nine comprehensive high schools in the Anaheim Union High School District. The current facilities were built in 1935. The 37.2 acre site was modernized in 2008. At present there are 130 regular classrooms. There are 27 labs, which are designed for specific programs (i.e. computer labs, science labs, choral music room, etc.). The site also includes Cook Auditorium, a cafeteria, a library, a gym and pool facility, and a variety of sports fields.

**Maintenance and Repair:** Site and District maintenance staff ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority.

**Cleaning Process and Schedule:** The District's Board of Trustees has adopted cleaning standards for all schools. The administration works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. All classrooms and restrooms are cleaned daily. Deep cleaning, including waxing of floors and painting, takes place during times when students are not in classes. Students, parents, and staff are encouraged to report any objectionable conditions via a uniform complaint procedure.

The most recent site inspection was completed on November 15, 2020.

### School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20
English Language Arts/Literacy (grades 3-8 and 11)	44	N/A	46	N/A	50	N/A
Mathematics (grades 3-8 and 11)	15	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## Career Technical Education Programs (School Year 2019-2020)

Anaheim High School has 12 career pathways that represent several industries that suit the needs, interests, and demands of its diverse student body. During the 2017-18 school year courses were offered in the following career industries: Arts, Media & Entertainment; Building Trades & Construction; Education, Child Development, and Family Services; Engineering and Design; Business & Finance; Health Science & Medical Technology; Information and Communications Technology; and Transportation.

Our CTE pathway courses are designed using the CTE Model Curriculum Standards, ensuring that students are developing the key skills needed to succeed in both school and the workplace. All of our teachers are trained to provide the best possible instruction for all students, including those in CTE pathways, with a focus on universal design for learning, ensuring that all students can access the curriculum. Our district measures the success of our CTE programs by evaluating the graduation rate, A-G completion rate, post-secondary enrollment, and when possible the career placement of students. This data guides which CTE pathways are offered, as well as the alignment between curriculum and the needs of each industry sector. CTE teachers attend regional advisory boards for each industry sector to stay up to date on the latest trends, skills desired of employers, employment outlook, and post-secondary programs related to the industry sector. These advisory boards are provided by Vital Link, a local non-profit organization that connects businesses with school districts, ensuring that the knowledge gained at the advisory boards represents the surrounding region.

## Career Technical Education (CTE) Participation (School Year 2019-2020)

Measure	CTE Program Participation
Number of Pupils Participating in CTE	1800
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	82.4

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2020-2021)

Anaheim High School has the Colonist Resource Center (CRC), where parents and the community can get support and/or offer support. We host a variety of classes and workshops for our parents to attend. Parents learn how to best assist their students in navigating the school system, and they learn how parents can support college and career readiness skills development. The CRC is also a location where families can come to access resources such as food, clothing, references to outside agencies, and access computers and internet. We hold classes on the Aeries student information system, so parents can more easily track student progress.

Anaheim High School provides several organizations for parents to join and get involved in including:

1. PTSA
2. School Site Council
3. Parent Leadership Academy
4. Band Boosters
5. Anaheim Performing Arts Conservatory (APAC) Boosters
6. Athletic Boosters
7. Parent Nights
8. Coffee with the Principal (virtual for 20-21)
9. English Language Advisory Committee (ELAC) District-level English Language Advisory Committee (DELAC)
10. Parent Learning Walks (will resume when safe to do so)
11. Aeries Parent Portal Assistance-hosted by our Family and Community Engagement Specialist
12. Parent Ambassadors
13. Disciplina Positiva taught on campus (taught virtually for 20-21)

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2016-17	School 2017-18	School 2018-19	District 2016-17	District 2017-18	District 2018-19	State 2016-17	State 2017-18	State 2018-19

Graduation Rate	80.2	82	88.3	86.2	85.5	87.8	82.7	83	84.5

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	5.1	4.6	4.8	3.1	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	2.26	1.83	
Expulsions	0	.003	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

### School Safety Plan (School Year 2020-2021)

Our School Safety Plan is reviewed, discussed, and updated on an annual basis. Input is gathered from staff, students, and community resource groups along with the School Site Council in order to determine any needed changes. The Anaheim High School Safety Plan is implemented by staff members. No fewer than four safety/evacuation drills are conducted throughout the school year (may change due to COVID-19 issues). Students, teachers, and other faculty members are required to participate in these drills. Safety Plan was updated on October 26, 2020.

## Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	4

Teachers participate in a variety of District in-services as well as professional development workshops and conferences to enhance their content knowledge and instructional skills. This is in addition to four professional development days and weekly late-start meetings, which are scheduled each year for professional learning activities. New teachers are also required to participate in a teacher induction program. The District and school continue to train teachers in strategies to deliver a differentiated curriculum with depth and complexity. Teachers learn to utilize students' assessment results in order to target instruction to better meet the individual needs of students. Classified staff members have many opportunities to participate in training designed to enhance their effectiveness with students. All District staff members are supported in their efforts to deliver highly effective lessons. Teachers and administrators are given many opportunities to examine current instructional programs and strategies and realign with state curriculum performance and content standards. Research-based instructional strategies are reviewed and implemented.

In addition to what the district provides, Anaheim High School has weekly professional development opportunities on Tuesday's late start days. The time is utilized by departments, specialized programs, and cross-curricular articulation. All educational staff is involved in a variety of workshops and conferences.
