2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Vision Statement: Maximize our unlimited potential one student, one story, one family at a time.

Mission Statement: Dale Junior High School is to provide a caring environment which allows every student the opportunity and skills to LEAD.

Highlights:

Dale Junior High School is a collaborative learning community, preparing students for the 21st century. Dale Junior High School offers a rigorous curriculum and many opportunities to explore elective classes. Dale Junior High School has a strong after-school program with a variety of opportunities for exploration, including sports, and tutoring. Our special education students now have the opportunity to participate in co taught classes for science and history, as well as, ELA and Math. Teachers collaborate weekly to refine curriculum and instructional methods in their professional learning communities.

In 2015, Dale Junior High School received a Gold Ribbon award for LEAD time, which is its intervention/enrichment period. LEAD stands for Leadership, Effort, Academics, and Determination. The staff recognized a need for student support and figured out a plan to help students. In 2021, staff decided to change LEAD time to Lancer Time. The Lancer Time advisement period is used to teach schoolwide lessons that go across a number of different needs on campus. It is a great opportunity for students to receive academic assistance, as well as, guidance on a variety of lessons that foster a positive school climate and develop healthy, resilient and confident young adults.

Demographic Information:

Dale Junior High School, located in Anaheim, California, serves 989 students, in which 74% participate in the free and reduced meal program, and 30% are English Learners. The demographic profile also indicates the following regarding student subgroups: 75.4% Hispanic, 6.5% White, 12.1% Asian, 1.7% Filipino, 1.8% African American, 0.8% Native American/Pacific Islander, 1.5% two or more races, .1% declined to state.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All content subject areas utilize standards-aligned, State and District adopted textbooks and instructional materials. Teachers have input into the textbook selection process at the district level through an established curriculum cycle. Teachers are given in-depth training on the instructional materials and the ancillary materials that accompany the basic textbook material. Ancillary materials support both the language needs and the learning needs of students.

This information was collected in September 2018.

School Facility Conditions and Planned Improvements

The Dale Junior High School facility opened in 1959. The 27 acre site includes 41 regular classrooms and a number of portable classrooms. There are 2 computer labs as well as groupings of computers in every classroom. There are specialty classrooms for conducting science labs, or for running the music programs. The site also has a cafeteria, a media center, a gym and a variety of sports fields.

Maintenance and Repair: Site and District maintenance staff ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority.

Cleaning Process and Schedule: The District's Board of Trustees has adopted cleaning standards for all schools. The administration works daily with the custodial staff to develop schedules to ensure a clean and safe school. All classrooms and restrooms are cleaned daily. Deep cleaning, including waxing of floors and painting, takes place during times when students are not in classes. Students, parents, and staff are encouraged to report any objectionable conditions via a uniform complaint procedure.

Dale is currently undergoing a multi-million dollar upgrade to facilities to enhance instruction and improve campus safety.

The most recent site inspection was completed on November 19, 2021.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parents are actively involved with Dale Junior High School through the Parent Teacher Student Association (PTSA), athletics, performing arts, Advancement Via Individual Determination (AVID), and the School Site Council. Dale Junior High School has a strong volunteer program, which encourages parents to get involved. There are monthly Parent Partnership meetings (coffee Chats that discuss a multitude of different topics varying from academics to social emotional needs as well as Parent Leadership Academy twice yearly) which educate parents about teens and their community. The topics for these meetings are determined by the parents. There are five English Learner Advisory Committee (ELAC) meetings held each school year. Student performances and information nights, which encourage parent participation, are held throughout the school year. Parents are encouraged to be part of Dale's education system. Parents are invited to Parent Learning Walks 4 times a year to observe 5Cs in action, as well as, parent circles. Parents are welcome to meet with staff members to discuss the learning experiences of their students. Through the Aeries Student Information System, parents are able to view student grades, check on discipline, monitor attendance, and update home information daily. Our counselors organize parent/teacher conferences to discuss progress. We also encourage our families to participate in Back to School Night, Open House, and any performances held at Dale or in the community."

2020-21 Chronic Absenteeism by Student Group

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

School Safety Plans are reviewed, discussed, and updated on an annual basis. Input is gathered from staff, students, and community resource groups along with the School Site Council in order to determine any needed changes. The Dale Jr. High School by staff members. No less than four safety/evacuation drills are conducted throughout the school year. Students, teachers, and other faculty members are required to participate in these drills. A key element of focus for this years plan is the changes to emergency evacuation routes and plan because of the finished modernization of the school. Dale Jr. High School has will also continue implementing health and safety measures to reduce the spread of coronavirus.

2020-21 Types of Services Funded

Title I funding for low-achieving children, especially in high-poverty schools. The program finances the additional academic support and learning opportunities that are often required to help disadvantaged students progress along with their classmates with support such as, an additional English teacher, a bilingual aide in the classroom, EL and SWD Monitoring and after school tutoring 4 days a week (2nd Semester).

LCFF – Supplemental Grant

Purpose: To provide a supplemental grant equal to 20 percent of the adjusted LCFF base grant for targeted disadvantaged students

S&C (LCFF) – Concentration Grant

Purpose: To provide an additional concentration grant equal to 50 percent of the adjusted LCFF base grant for targeted students exceeding 55 percent of an LEA's enrollment. As well as, additional support for social emotional needs through the hiring of a full time social worker.

Title IV funding to be used to support Art and Physical Education classes.

Loss and Litigation Funding- one time money used to support EL, SWD, McKinney Vento and Foster youth students.

Professional Development

This was suspended due to COVID in the 2020 year but for the school year 2021 teachers participate in a variety of District in-services, as well as, professional development workshops and conferences to enhance their content knowledge and instructional skills. This is in addition to four professional development days and weekly late-start meetings, which are scheduled each year for professional learning activities. New teachers are also required to participate in a teacher induction program. The District and school continue to train teachers in strategies to deliver a differentiated curriculum with depth and complexity. Teachers learn to utilize students' assessment results in order to target instruction to better meet the individual needs of students. Classified staff members have many opportunities to participate in training designed to enhance their effectiveness with students. All District staff members are supported in their efforts to deliver highly effective lessons. Teachers and administrators are given many opportunities to examine current instructional programs and strategies and realign with state curriculum performance and content standards. Research-based instructional strategies are reviewed and implemented.

In addition to the AUHSD's Professional Learning initiatives, Dale Junior High School's Professional Learning Team develops weekly professional learning opportunities for our Tuesday Late Starts. The time is utilized by departments, specialized programs, and also for cross-curricular articulation and collaboration. In addition to providing individual instructional support, Dale's 5 C coach leads all teachers on Reflective Learning Walks throughout the school year to share best practices, current pedagogy, and to provide teachers an opportunity to reflect on their craft. Our EL Department Chair and 5C Coach conduct two EL Shadow Walks each year to document the success of the efforts of our EL Task force and identify next steps in meeting the needs of our EL Population. Our 5C coach also holds New Teacher Support meetings for new teachers twice a month. These meetings are designed not only to help welcome new staff and build a community of learning, but to also help new hires learn about the Anaheim Way and the variety of initiatives the district has implemented in the last decade. Dale also provides educational technology support through our dedicated Ed Tech Coach. Our educational staff also has numerous opportunities to participate in a variety of workshops and conferences tailored to their individual needs.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
