

# Community Schools & Family Engagement

## February Newsletter

### Mobile Vision Clinic

This month we hosted our 2nd mobile vision clinic here at Dale. In addition, each student who has participated in the clinics and required glasses, received them this week. It was wonderful to see all of the students' smiling faces as they tried on their new pair of glasses! Thank you to **Serve the People** who have made all of this possible through our partnership!

### Student Lunch Time Activity

Every month our Community Schools & Family Engagement team will be hosting a lunch time activity for students to increase awareness of what we do & how we can support them through the resources, programs and services we offer.

### What is a Community School?

A Community School is a safe place at the heart of the community where students, staff, and families are connected and work together to expand the opportunities and address the needs of the whole child so that all students can thrive and realize their unlimited potential.
